

MUSIC LIBRARY ASSOCIATION - MIDWEST CHAPTER

NEWSLETTER

Fall, 1988

FROM THE CHAIR

Although it is still officially summer, the combination of hot weather and reports from the Program Committee about our upcoming Chapter meeting are enough to make even this Minnesotan look forward to autumn! Katherine Holum and the music librarians from the University of Illinois have planned what promises to be a very interesting meeting. It will be a chance to become acquainted with the wealth of resources--both materials and people--in Illinois. The program looks to our past, present and future as music librarians as it examines an international sampling of musical traditions. I hope you will be able to join us!

In addition to the ballot for Vice President/President-Elect, proposed revisions to the Chapter By-Laws are included in this Newsletter. I encourage you to take the time to read and think about the proposed changes. We will vote on them during the Business Meeting on October 28. I look forward to seeing you then.

WILLIAM J. WEICHLEIN, 1917-1988

With the recent death of William J. Weichlein, the Music Library Association has lost one of its pillars of strength. Bill served as President of MLA from 1964 to 1965 and was one of the first presidents to come from the Midwest. During his term of office, a crisis developed with the efforts to establish an MLA business office in New York. Being a devoted MLAer, Bill agreed to become Executive Secretary in order to piece together the business operations of the Association by moving the office to Ann Arbor. Little did he, or anyone else, realize that he would be Executive Secretary for almost 16 years! He resigned in 1975 but was asked to once again rescue the Association from business problems in 1977, and remained Executive Secretary until 1981.

As Professor of Music Bibliography and Music Librarianship at the University of Michigan, Bill guided numerous students who became leaders in the music library profession. His distinguished "alumni" include people who have served as presidents and other executive officers of IAML and MLA, and many outstanding music librarians, teachers, and bibliographers. Bill was also active in Pi Kappa Lambda and served as its president from 1970 to 1976.

He was an avid fisherman and was always eager to go to the Outer Banks of North Carolina whenever the opportunity presented itself. Unfortunately health problems which began soon after his retirement in 1982 severely reduced the amount of time he could spend in his beloved fishing area.

Bill Weichlein had a positive influence on a substantial number of people. We miss you, Bill, and thank you for all of the guidance you so generously gave us and the Music Library Association.

Report of the By-Laws Committee

There are quite a few changes in the accompanying text: each is underlined. These revisions are mostly, however, changes of wording rather than any change of intent.

- 1) Throughout the text, the executive officer's title is changed from "Chapter Chairperson" to "Chapter Chair"
rationale: Simpler and less confusing
- 2) Similarly the second executive officer's title is changed from "Chairperson-Elect/Vice-Chairperson/Past Chairperson" to "Chair-Elect" and "Past Chair," as appropriate.
rationale: Simpler and less confusing
- 3) Similarly, the head of a committee is referred to as the "chair," rather than the "Chairperson."
rationale: Simpler and less confusing.

Three other changes are more involved:

- 1) Article III.C.3.: The beginning of a membership year is made consistent with the annual meeting.
rationale: This facilitates record keeping and reflects the way most members pay their dues.
- 2) Article IV.D.1. and Article IV.E.2 and 2a: These articles were revised to clear up confusion about the relationship of the chapter executive officers.
rationale: There is no change of intent, however, the wording treats the Chair-Elect and Past-Chair offices as separate ones, instead of, as previously, leaving this relationship in doubt.
- 3) Article VI.H: This article is completely rewritten to accomplish the following purposes: (a) provide committee chairs and members with specific terms; (b) allow business to proceed in an orderly fashion when a new Chapter Chair takes office; and (c) involve more members in the business of the Chapter.
rationale: The expiration of term date allows new Chapter Chairs time to consider appointments, prepare letters of appointment, etc., while the business of the committees continues. The six year limitation as a committee chair is in line with national policy, and will, we hope, encourage participation by more Chapter members.

Respectfully submitted,

Katherine Holum

Sighting it from almost any point in Urbana-Champaign is relatively easy since it happens to be the tallest building in the twin towns.

BY TRAIN: Amtrak serves Champaign. Trains arrive from Chicago and New Orleans. If you are travelling from points east or west of Champaign, you will likely have to come via Chicago. Phone your local Amtrak agent for schedule and fare information. The station is located in downtown Champaign and is about a five-minute taxi ride to the University Inn. (You may have to phone for a taxi.) The University Inn limo will pick you up free of charge at the station if you phone them a day or so ahead to make that arrangement (217 - 384-2100).

WEATHER: Late October tends to be one of the finer times of the year. Expect brisk temperatures with some breeziness, perhaps 50 to 60 degrees Fahrenheit with cooler temperatures at night. However, given the Drought of '88 and unexpected climatic conditions of recent months, the weather may still be fairly warm for October. You may wish to make a quick long-distance telephone call before you depart: Urbana-Champaign weather forecast (217) 351-2900.
